

Press release

EFESME's TECHNICAL CONVENTION

Brussels, 2nd October 2009

During the *Interlift09* Fair, EFESME will organize - in collaboration with ELCA - an event on 15th October in the morning (10.30 a.m. – Panoramasaal 1st floor), a public event - *Appropriate Regulations for Efficient Safety in the Lift Sector* - open to all participants at the *Interlift09* exhibition (attached you can find the programme).

At the event will take part different exponent of the lift sector at the European level, as Dr-Eur. Ing. Gina Barney (Member of ISO TC 178/WG10), Mr. Faletto (EFESME/ELCA expert for CEN/ISO), Mr. Paolo Tattoli (Convenor CEN/TC10/WG1/WT5) and Mrs. Beata Pich (DG Enterprise and Industry Unit I-4).

Translation service will be available in 4 languages (IT - FR - EN - DE).

The event will be organized with the participation of the European Commission.
