

Press Release

5th General Assembly

Brussels, 3rd February 2009

Next Tuesday 21st April the 5th General Assembly to EFESME aisbl will take place in Paris.

In that occasion the European Federation for Elevator Small and Medium-sized Enterprises will organize on 22nd April in the morning, a public event open to all French SMEs in the lift sector.

This is a new opportunity for our Federation to present her activity concerning the protection and the development of the SMEs, EFESME's technical activity and to compare with a European Commission and French Government about the different opinions.
