**HOW CAN THE LIFT SMEs OVERCOME THE CRISIS?**

**Brussels, 27th April 2009**

On April 22nd the EFESME seminar *"How can the lift SMEs overcome the crisis?"* took place in Paris. This event has been the occasion for more than 80 French SMEs for exchanging experiences and good practises and knowing better the Federation and the experts' activities in the CEN and ISO committees.

During the meeting among the participants the new elected President Mr. Jean-Claude GEORGES, the Secretary General Mr. Giovanni FERRARINI, the Vice President Mr. Massimo BEZZI, Mr. Marcel Boutillier ANPA expert in ANFOR technical committees, Mr. Luciano FALETTO and Mr. Giuseppe IOTTI EFESME experts in ISO and CEN committees, Miss Vanessa Cantinho PEREIRA and Mr. Sebastiano TOFFALETTI for NORMAPME had the floor.

The Federation got good success thanks to this event, confirming, once again, the importance of a European Federation which gives voice to the elevator SMEs.

The board invited everyone to participate to the next event which will take place during the Ausburg fair (Germany) in October.
